Free Seminars on Identity Theft and Reverse Mortgages

FREE INFORMATION SEMINARS!

If it seems too good to be true,
it probably is!

We have all heard the sad stories about people who have been hurt financially by a scam that included identity theft. These types of crimes are increasing in part because identity theft is often very difficult to recognize. To help you learn more about how to protect yourself, I will be hosting a **FREE seminar on Thursday, April 12 at 10:30 AM.**

A representative from the Office of Illinois Comptroller Susana A. Mendoza will discuss how you can identify potential scams and frauds. This highly informative session will also highlight the ways you can protect and prepare yourself against falling victim to identity theft. The discussion will include ways to protect your personal information and how to keep it from falling into the hands of identity thieves.

The seminar will be held at the Community Café in the Park District's North Park facility at 10040 Addison. Bring your friends and stay for lunch at the Café!

Turn on the TV and you are bound to see an ad for reverse mortgages. But do you really understand how they work? To help you learn more about the advantages and disadvantages of reverse mortgages versus other financial alternatives, I will be hosting a **FREE seminar on Thursday, May 10 at 6:30 PM.**

The seminar will be held in the Community Room of the Police Station, located at 9451 West Belmont.

Registration is not required for either seminar. The events will also include information from other organizations that serve our community. Refreshments will be served too! For more information, call 847-671-8236.

Our Seniors Are Our Inspiration

Meet Colinette Marshall. Colinette is a proud member of the Franklin Park American Legion Women's Auxiliary. Recently she was pleased to work on an event to help homeless veterans by serving them meals at the Legion and distributing much needed toiletries, clothing, food and blankets. Colinette is an active volunteer at Village events too and was indispensable

in planning events related to Franklin Park's 125th Anniversary celebration last year. She loves to travel with her husband and keeps in contact with friends and family through Facebook.

If you know an inspirational senior citizen, email us at villagenews@vofp.com or call 847-671-8282.
