### **The Franklin Park Police Department Announces Distracted Driving Enforcement Results**

**(Franklin Park, IL)** – The Franklin Park Police Department announced it issued nineteen (19) hands-free law violations and eleven (11) additional violations for other traffic offenses during the April distracted driving enforcement period.

“Distracted Driving Awareness Month allowed Franklin Park Police to bring a heightened awareness to stop motorists from engaging in this deadly behavior,” said Director Michael Witz.

The Franklin Park Police Department joined forces with state and local law enforcement and highway safety partners for this enforcement effort.

Using your phone in anything other than hands-free mode in Illinois is not only dangerous, but also illegal. Break the cycle. Drop it and drive.

The Illinois distracted driving campaign is funded with federal traffic safety funds administered by the Illinois Department of Transportation.
