**ZONING BOARD OF APPEALS**  
**MINUTES OF APRIL 6, 2016 – 7:00 P.M.**

1. The regularly scheduled meeting of the Zoning Board of Appeals was called to order at 7:00 p.m.

9500 Belmont

Chairman Cwik stated that this hearing is for a Text Amendment to Section 9-5G-2 of the Franklin Park Zoning Code regarding the minimum side yard setback for the Yard Building Type.

Member Grieshamer made a motion to enter in any and all department reports, memos, new and revised reports and testimony into the record. Member Mennella seconded the motion. All in favor. The motion was carried.

Chairman Cwik called the petitioner up at this time. He asked if she can sign in and be sworn in. Ms. Zoe Heidorn, petitioner, came forward. She signed in and was sworn in.

Ms. Heidorn gave a brief presentation to the members on this text amendment. She stated that staff finds that the 7.5 foot side yard setback required for a Yard Building is not in keeping with the overarching goals of the Downtown Zoning Code and was likely an oversight at the time the code was drafted and adopted. Staff recommends reducing the minimum side yard setback for the Yard Building Type from 7.5 feet to 3 feet, as found in the R-2 Single Family Zoning District. By land area, the R-2 district is the Village's dominant zoning district and most representative of Franklin Park's housing stock. The recommended reduction of the minimum side yard setback for the Yard Building Type will permit future development and redevelopment projects in the DT-4 district to be of a higher unit density but ensures they are in keeping with the physical nature of the existing residential community.
