 5. Cicada emergence 2024. Comments or concerns
 6. Should the committee propose to the Village:
 - a. Permit/or fee requirement for cutting down healthy trees? This will help prevent healthy trees from being destroyed
 - b. Creating an Tree Preservation Ordinance for the protection of planted trees, all landmark trees in Franklin Park, including on private property (Similar to the Village of Glenview's Tree Preservation Ordinance)

“The Village of Glenview's Tree Preservation Ordinance was adopted on November 7, 2000 and amended on January 6, 2015. **All landmark trees are protected.** Landmark trees are defined as trees that are 16 inches or more in diameter at the breast height (DBH) measured at 4 1/2 feet above the ground, which are a higher quality species such as oaks, hickories or maples. Other trees that are a lesser quality species, such as cottonwood or box elder, must be 20 inches DBH in order to be protected. Measurement to determine that a tree is smaller than 16 inches in diameter must be done with DBH tape at 4 feet above the ground or pre tape at base of tree.”
