Agreement

April 21, 2023

Village of Franklin Park
9500 Belmont Avenue
Franklin Park, IL 60131

Attention: Joe Thomas, Utilities Commissioner
Subject: Village of Franklin Park Lead Service Replacement Program
Reference: Meeting of April 1st, 2023

Mr. Thomas

Smith LaSalle is pleased to submit this proposed scope of services to provide the Village of Franklin Park Lead Service Replacement Program in fiscal year 2024.

As the Village of Franklin Park ("Village") does not have personnel on staff to prepare the Lead Service Replacement Program for the Village, Smith LaSalle proposes to provide those staff services defined below in the scope of work on a retainer basis, with monthly time and materials billing not to exceed the contract amount. The contract would run from May 1, 2023, through April 30, 2024.

I. Scope of Work

Prepare a Lead Service Replacement Program - Smith LaSalle would provide staff for up to 600 hours labor to prepare an overall lead service removal and replacement plan for the approximate 3000 lead services within the Village. The outline for this program is the following:

1. Review the existing atlas sheets to determine the extent of lead water services in the Village to determine the areas and extent of the work proposed.
2. Prepare surveys for the residents to use in determining if they have lead services in their homes. Surveys would include pictures of lead and copper services for easier verification. The surveys would be sent out with the water bills, listed on the Village website, shown on the various Village media pages, and any other means for residents to complete the necessary information
3. Monitor the surveys and use them to update the Village watermain atlas sheets.
4. Follow up with home inspections for those residents that did not complete the survey.
5. Once the surveys are completed, prepare a schedule/ program to replace the water services from the watermain to the b. boxes. This will include correspondence with the IEPA regarding funding and timing of these tasks.
6. Prepare a schedule/ program to replace the existing lead services from the b. boxes into the residents' homes. This also will require coordination and direction from the IEPA regarding timing and budget.
7. During items 5 and 6, prepare engineering plans for the replacement of the lead services to the

buildings in the areas that appear to have existing lead services from the main to the house.

8. Prepare notification packets to residents explaining the program and sending them a checklist to see if they want their lead service replaced or not. During this task, research possible funding opportunities for the lead service from the b. box to the house.
9. Other project-specific tasks anticipated to support the Village in obtaining funding from external inter-governmental sources (e.g., MWRD, IEPA, etc.), as directed by the Village representative for this agreement.
10. Compile all of the data from the above tasks to prepare an updated atlas sheet for the lead services as well as put together a multi-year plan to address the replacement, timing and funding of the project.

Schedule

The term of this retainer contract is May 1, 2023, through April 30, 2024. We do not anticipate using all of this fee nor completing the tasks listed above in their entirety.

II. Proposed Costs for Services

Proposed Costs for Services Defined in Item I: Services rendered under this Agreement will use Smith LaSalle standard hourly billing rates with a not to exceed amount of \$70,000.00. The project fee includes \$200.00 for reimbursable expenses.

Billing and Payment: Invoices shall be submitted monthly for time and materials services completed at the time of billing and are due upon receipt. Invoices shall be considered past due if not paid within 30 calendar days of the due date. Such invoices shall be prepared in a form supported by documentation as the Village may reasonably require.

If payment in full is not received by Smith LaSalle within 30 calendar days of the due date, invoices shall bear interest at one-and-one-half (1.5) percent of the past due amount per month, which shall be calculated from the invoice due date.

Billing Records: Smith LaSalle shall maintain accounting records of its invoices and costs in accordance with generally accepted accounting practices. Access to such records will be provided during normal business hours with reasonable notice during the term of this Agreement and for three (3) years after completion.

III. Items Required to Initiate Smith LaSalle Services:

The Village shall, at its expense, do the following in a timely manner so as not to delay the services:

Information/Reports: Provide Smith LaSalle with reports, studies, site characterizations, regulatory decisions and similar information relating to the proposed services that Smith LaSalle may rely upon without independent verification unless specifically identified as requiring such verification.

Representative: Designate a representative for the proposed services who shall have the authority to transmit instructions, receive information, interpret and define the Village's requirements, and make decisions with respect to the services. The Village representative for this Agreement will be Joe Thomas.

6. Opinion of Probable Cost - SMITH LASALLE'S opinion of probable structural construction cost, if rendered as a service under this Agreement, is based on assumed labor costs and approximate quantities of material and equipment, and therefore is of a conditional character. SMITH LASALLE cannot guarantee the cost of work to be performed by others since market or bidding conditions can change at any time and changes in the scope or quality of the Project may affect estimates.

7. Construction Phase Services - If construction phase services are provided, SMITH LASALLE will not supervise, direct, or have control over the Contractor's work. SMITH LASALLE shall not be responsible for the Contractor's means, methods, procedures, techniques, or sequences of construction, nor for safety programs or procedures employed by the Contractor on the job site. The CLIENT agrees that the General Contractor shall be solely responsible for jobsite and worker safety and warrants that this intent shall be carried out in the CLIENTS contract with the General Contractor. In addition, SMITH LASALLE shall not be responsible for the Contractor's failure to carry out work in accordance with the Contract Documents.

8. Services Performed - SMITH LASALLE and the CLIENT agree that the services performed by SMITH LASALLE pursuant to this Agreement are solely for the benefit of the Client and are not intended by either SMITH LASALLE for the CLIENT to benefit any other person or entity. To the extent that any other person or entity, including but not limited to the Contractor and/or any of its Subcontractors and other Design Professionals, is benefited by the services performed by SMITH LASALLE pursuant to this Agreement, such benefit is purely incidental and such other person or entity shall not be deemed a third party beneficiary to this Agreement.

9. Force Majeure - SMITH LASALLE shall not be in default, at any tier, because of any failure to perform this Agreement under its terms if the failure arises from causes beyond the control and without the fault or negligence of SMITH LASALLE, such as, but not limited to, labor disputes, acts of God, accidents or severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of SMITH LASALLE. "Default" includes failure to make progress in the Work so as to endanger performance.

10. Insurance - SMITH LASALLE shall secure and endeavor to maintain professional liability insurance, commercial general liability insurance, and automobile liability insurance to protect SMITH LASALLE from claims for

negligence, bodily injury, death or property damage which may arise out of the performance of the ENGINEER'S services under this Agreement. SMITH LASALLE shall also carry Worker's Compensation Insurance. SMITH LASALLE shall, if requested in writing, provide certificates of insurance to the Client.

11. Indemnification - To the fullest extent permitted by law, the ENGINEER and the CLIENT mutually agree to indemnify and hold each other harmless from any damages and losses arising from their own negligent acts, errors or omissions in their performance under this Agreement, to the extent that each party is responsible for such damages and losses on a comparative basis of fault. The Client shall indemnify and hold harmless SMITH LASALLE and all of its personnel, and other design team members, from and against any and all claims, damages, losses and expenses (including reasonable attorney's fees) arising from the presence, discharge, release or escape of asbestos, hazardous waste, or other contaminants at the site. The indemnifications as stated in this section shall apply to the respective officers, members, directors, partners, agents, employees, and subconsultants of SMITH LASALLE and CLIENT.

12. Limitation of Liability - The CLIENT agrees, to the fullest extent permitted by law, to limit the liability of SMITH LASALLE and owners, officers, directors, employees and subconsultants for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert witness fees and costs, so that the total aggregate liability of SMITH LASALLE and owners, officers, directors, employees and subconsultants shall not exceed SMITH LASALLE'S total fee in this agreement. The CLIENT agrees this limitation of liability applies to any cause of action.

13. Changes to The Work - Any and all changes to the services to be provided by SMITH LASALLE, which are within the general scope of Exhibit A, shall be in writing and countersigned by SMITH LASALLE and CLIENT before SMITH LASALLE shall be obligated to provide such services. Any adjustment in the compensation to be provided SMITH LASALLE or the schedule of work resulting from such changes shall be set forth in the countersigned document.

14. Mutual Waiver of Consequential Damages - Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither the CLIENT nor SMITH LASALLE, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the Project or to this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation and any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty. Both the CLIENT and SMITH LASALLE shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in this project.

15. Payment - Invoices for fees and other direct charges and services shall be submitted, at SMITH LASALLE'S option, either upon completion of any phase of service or on a monthly basis. Invoices shall be payable when rendered and shall be considered past due if not paid within 30 days after the invoice date. If the invoice amount is not received within 30 calendar days the CLIENT shall pay the full invoice amount plus an additional 10% of the invoice amount. In the event any portion of an account remains unpaid 45 days after billing, the Client shall pay all costs of collection, including reasonable attorney's fees. Payments on account will be credited first to any service charge and then to any outstanding balances. In the event that any portion of an account remains unpaid 30 days after billing, SMITH LASALLE may, without waiving any claim or right against the Client, and without liability whatsoever to the CLIENT, suspend or terminate the performance of all services.

16. Termination - If the CLIENT or SMITH LASALLE terminates the agreement, for whatever reason, the CLIENT shall pay all costs to SMITH LASALLE incurred from inception of the agreement to the date of suspension in accordance with the compensation agreed upon in the scope of services provided by SMITH LASALLE.

17. Governing Law - This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its conflict of laws or principles.

18. Dispute Resolution - SMITH LASALLE and the CLIENT agree to negotiate any claim(s) or dispute(s) arising out of or related to the agreement between them in good faith prior to exercising any other provision of this Agreement. If a claim or dispute between SMITH LASALLE and CLIENT cannot be settled within 30 days by good faith SMITH LASALLE and the CLIENT agree to submit it to nonbinding mediation.

SMITH LASALLE will provide the following services for the additional scope of work:

- Prepare public notification for advertisement in local newspapers.
- Place bidding documents on the QuestCDN website and monitor bid process.

- Review Shop Drawings and material certification submittals to assure they adhere to contract specifications.
- Review Contractor pay requests, changes of project scope requiring additional work by the contractor, claims submitted by the Contractor, and provide recommendation(s) of action to be taken by the Village. Lien waivers for prime Contractor and all Sub-Contractors will be included with all pay requests.
- Coordinate and attend project meetings, included but not limited to, pre-construction meeting, progress meetings, and project closeout meeting.

5. Information - The CLIENT shall furnish, at their expense, all information, requirements, reports and data required by this Agreement. SMITH LASALLE is entitled to rely upon the accuracy and completeness thereof and will not verify its accuracy. SMITH LASALLE shall not be held responsible for any errors or omissions that may arise as a result of erroneous or incomplete information provided by the CLIENT and/or the CLIENT'S consultants and contractors.

6. Opinion of Probable Cost - SMITH LASALLE'S opinion of probable structural construction cost, if rendered as a service under this Agreement, is based on assumed labor costs and approximate quantities of material and equipment, and therefore is of a conditional character. SMITH LASALLE cannot guarantee the cost of work to be performed by others since market or bidding conditions can change at any time and changes in the scope or quality of the Project may affect estimates.

7. Construction Phase Services - If construction phase services are provided, SMITH LASALLE will not supervise, direct, or have control over the Contractor's work. SMITH LASALLE shall not be responsible for the Contractor's means, methods, procedures, techniques, or sequences of construction, nor for safety programs or procedures employed by the Contractor on the job site. The CLIENT agrees that the General Contractor shall be solely responsible for jobsite and worker safety and warrants that this intent shall be carried out in the CLIENT'S contract with the General Contractor. In addition, SMITH LASALLE shall not be responsible for the Contractor's failure to carry out work in accordance with the Contract Documents.

8. Services Performed - SMITH LASALLE and the CLIENT agree that the services performed by SMITH LASALLE pursuant to this Agreement are solely for the benefit of the Client and are not intended by either SMITH LASALLE for the CLIENT to benefit any other person or entity. To the extent that any other person or entity, including but not limited to the Contractor and/or any of its Subcontractors and other Design Professionals, is benefited by the services performed by SMITH LASALLE pursuant to this Agreement, such benefit is purely incidental and such other person or entity shall not be deemed a third party beneficiary to this Agreement.

9. Force Majeure - SMITH LASALLE shall not be in default, at any tier, because of any failure to perform this Agreement under its terms if the failure arises from causes beyond the control and without the fault or negligence of SMITH LASALLE such as, but not limited to, labor disputes, acts of God, accidents or severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of SMITH LASALLE. "Default" includes failure to make progress in the Work so as to endanger performance.

10. Insurance - SMITH LASALLE shall secure and endeavor to maintain professional liability insurance, commercial general liability insurance and automobile liability insurance to protect SMITH LASALLE from claims for negligence, bodily injury, death or property damage which may arise out of the

performance of the ENGINEER'S services under this Agreement. SMITH LASALLE shall also carry Worker's Compensation Insurance. SMITH LASALLE shall, if requested in writing, provide certificates of insurance to the Client.

11. Indemnification - To the fullest extent permitted by law, the ENGINEER and the CLIENT mutually agree to indemnify and hold each other harmless from any damages and losses arising from their own negligent acts, errors or omissions in their performance under this Agreement, to the extent that each party is responsible for such damages and losses on a comparative basis of fault. The Client shall indemnify and hold harmless SMITH LASALLE and all of its personnel, and other design team members, from and against any and all claims, damages, losses and expenses (including reasonable attorney's fees) arising from the presence, discharge, release or escape of asbestos, hazardous waste, or other contaminants at the site. The indemnifications as stated in this section shall apply to the respective officers, members, directors, partners, agents, employees, and subconsultants of SMITH LASALLE and CLIENT.

12. Limitation of Liability - The CLIENT agrees, to the fullest extent permitted by law, to limit the liability of SMITH LASALLE and owners, officers, directors, employees and subconsultants for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert witness fees and costs, so that the total aggregate liability of SMITH LASALLE and owners, officers, directors, employees and subconsultants shall not exceed SMITH LASALLE'S total fee in this agreement. The CLIENT agrees this limitation of liability applies to any cause of action.

13. Changes to The Work - Any and all changes to the services to be provided by SMITH LASALLE, which are within the general scope of Exhibit A, shall be in writing and countersigned by SMITH LASALLE and CLIENT before SMITH LASALLE shall be obligated to provide such services. Any adjustment in the compensation to be provided SMITH LASALLE or the schedule of work resulting from such changes shall be set forth in the countersigned document.

14. Mutual Waiver of Consequential Damages - Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither the CLIENT nor SMITH LASALLE, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the Project or to this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation and any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty. Both the CLIENT and SMITH LASALLE shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in this project.

15. Payment - Invoices for fees and other direct charges and services shall be submitted at SMITH LASALLE'S option, either upon completion of any phase of service or on a monthly basis. Invoices shall be payable when rendered and shall be considered past due if not paid within 30 days after the invoice date. If the invoice amount is not received within 30 calendar days the CLIENT shall pay the full invoice amount plus an additional 10% of the invoice amount. In the event any portion of an account remains unpaid 45 days after billing, the Client shall pay all costs of collection, including reasonable attorney's fees. Payments on account will be credited first to any service charge and then to any outstanding balances. In the event that any portion of an account remains unpaid 30 days after billing, SMITH LASALLE may, without waiving any claim or right against the Client, and without liability whatsoever to the CLIENT, suspend or terminate the performance of all services.

16. Termination - If the CLIENT or SMITH LASALLE terminates the agreement, for whatever reason, the CLIENT shall pay all costs to SMITH LASALLE incurred from inception of the agreement to the date of suspension in accordance with the compensation agreed upon in the scope of services provided by SMITH LASALLE.

17. Governing Law - This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its conflict of laws or principles.

18. Dispute Resolution - SMITH LASALLE and the CLIENT agree to negotiate any claim(s) or disputet(s) arising out of or related to the agreement between them in good faith prior to exercising any other provision of this Agreement. If a claim or dispute between SMITH LASALLE and CLIENT cannot be settled within 30 days by good faith SMITH LASALLE and the CLIENT agree to submit it to nonbinding mediation.

SMITH LASALLE assumes no responsibility or liability for the discovery, presence, handling, removal, disposal or exposure of persons to hazardous materials of any form.

4. Reuse of Documents - All documents including calculations, computer files, drawings, and specifications prepared by SMITH LASALLE pursuant to this Agreement are instruments of professional service intended for the one-time use in construction of this Project. They are and shall remain the property of SMITH LASALLE. Any reuse without written approval or adaptation by SMITH LASALLE is prohibited. Any unauthorized use is the sole responsibility of the CLIENT who agrees to indemnify and hold harmless SMITH LASALLE from any and all claims.

5. Information - The CLIENT shall furnish, at their expense, all information, requirements, reports and data required by this Agreement. SMITH LASALLE is entitled to rely upon the accuracy and completeness thereof and will not verify its accuracy. SMITH LASALLE cannot guarantee the cost of work to be performed by others since market or bidding conditions can change at any time and changes in the scope or quality of the Project may affect estimates.

7. Construction Phase Services - If construction phase services are provided, SMITH LASALLE will not supervise, direct, or have control over the Contractor's work. SMITH LASALLE shall not be responsible for the Contractor's means, methods, procedures, techniques, or sequences of construction, nor for safety programs or procedures employed by the Contractor on the job site. In addition, SMITH LASALLE shall not be responsible for the Contractor's failure to carry out work in accordance with the Contract Documents.

8. Services Performed - SMITH LASALLE and the CLIENT agree that the services performed by SMITH LASALLE pursuant to this Agreement are solely for the benefit of the Client and are not intended by either SMITH LASALLE for the CLIENT to benefit any other person or entity. In each instance, the failure to perform must be beyond the control and without the fault or negligence of SMITH LASALLE. "Default" includes failure to make progress in the Work so as to endanger performance.

11. Indemnification - To the fullest extent permitted by law, the ENGINEER and the CLIENT mutually agree to indemnify and hold each other harmless from any damages and losses arising from their own negligent acts, errors or omissions in their performance under this Agreement, to the extent that each party is responsible for such damages and losses on a comparative basis of fault. The Client shall indemnify and hold harmless SMITH LASALLE and all of its personnel, and other design team members, from and against any and all claims, damages, losses and expenses (including reasonable attorney's fees) arising from the presence, discharge, release or escape of asbestos, hazardous waste, or other contaminants at the site. 13. Changes to The Work - Any and all changes to the services to be provided by SMITH LASALLE, which are within the general scope of Exhibit A, shall be in writing and countersigned by SMITH LASALLE and CLIENT before SMITH LASALLE shall be obligated to provide such services. Any adjustment in the compensation to be provided SMITH LASALLE or the schedule of work resulting from such changes shall be set forth in the countersigned document.

14. Mutual Waiver of Consequential Damages - Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither the CLIENT nor SMITH LASALLE, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the Project or to this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation and any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty. Both the CLIENT and SMITH LASALLE shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in this project.

15. Payment - Invoices for fees and other direct charges and services shall be submitted, at SMITH LASALLE'S option, either upon completion of any phase of service or on a monthly basis. In the event any portion of an account remains unpaid 45 days after billing, the Client shall pay all costs of collection, including reasonable attorney's fees. Payments on account will be credited first to any service charge and then to any outstanding balances. In the event that any portion of an account remains unpaid 30 days after billing, SMITH LASALLE may, without waiving any claim or right against the Client, and without liability whatsoever to the CLIENT, suspend or terminate the performance of all services.

16. Termination - If the CLIENT or SMITH LASALLE terminates the agreement, for whatever reason, the CLIENT shall pay all costs to SMITH LASALLE incurred from inception of the agreement to the date of suspension in accordance with the compensation agreed upon in the scope of services provided by SMITH LASALLE.

17. Governing Law - This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its conflict of laws or principles.

18. Dispute Resolution - SMITH LASALLE and the CLIENT agree to negotiate any claim(s) or dispute(s) arising out of or related to the agreement between them in good faith prior to exercising any other provision of this Agreement. If a claim or dispute between SMITH LASALLE and CLIENT cannot be settled within 30 days by good faith SMITH LASALLE and the CLIENT agree to submit it to nonbinding mediation.

THIS AGREEMENT is made as of the _____ day of May 2023 (the "*Effective Date*"), by and between the Village of Franklin Park, an Illinois municipal corporation (the "*Village*"), and Las Islas VIP LLC, an Illinois limited liability corporation (the "*Vendor*"). The Village and the Vendor shall herein be collectively referred to as the "*Parties*."

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties do hereby contract, promise, and agree, as follows:

1. Beer Garden Vendor. The Vendor agrees to serve as a vendor for the Beer Garden (the "*Beer Garden*") at the Franklin Park Fest (the "*Fest*"), as herein provided.

2. Alcohol Sales. The Vendor shall only sell alcoholic liquor products approved by the Village and as provided by Town & Country Distributing (the "*Distributor*") in the Beer Garden location designated by the Village. Products and pricing are identified on Exhibit A, a copy of which is attached hereto and made a part hereof. Products and pricing are subject to change, as determined by the Village. The Village shall pay for the cost of the products.

The Village shall sell tickets for alcoholic liquor purchases. The Vendor shall not sell any alcoholic liquor without first collecting the appropriate number of tickets from the purchaser. The Vendor shall not accept any other type of payment method for any purchase. The Vendor shall turn in tickets collected to the Village's designee by 11:00 P.M. each night.

All purchasers shall be twenty-one (21) years of age or older. The Vendor shall not sell any alcoholic liquor to a purchaser that does not possess a Village approved and provided designator (wrist band or stamp) to purchase alcoholic liquor products.

3. Hours of Operation. The Vendor shall sell alcoholic liquor during the following days and times: Thursday, June 8, 2023, 6:00 P.M. – 10:30 P.M.; Friday, June 9, 2023, 6:00 P.M. – 10:30 P.M.; and Saturday, June 10, 2023, 12:00 P.M. – 10:30 P.M. The Vendor shall provide a sufficient number of employees to adequately staff the Beer Garden.

4. Employees. All Vendor employees in the Beer Garden shall hold valid BASSET certificates of completion from a state certified BASSET program and be clean, decently dressed, polite, and sober at all times. All employees must be twenty-one (21) years of age or older.

5. Vendor Requirements.

A. The Vendor shall obtain all licenses to perform its obligations under this Agreement including a valid Village Class G liquor license, which fee shall be waived, and appropriate liquor license from the State of Illinois and shall submit copies of same to the Village.

B. The Vendor shall obtain liquor liability insurance insuring the Vendor, the location of the Beer Garden, and the Vendor's obligations under this Agreement with a limit in the minimum amount of

\$1,000,000.00 per occurrence and naming the Village of Franklin Park as an additional insured party. The Vendor shall furnish the Village that such insurance is in full force and effect during the Fest.

C. The Vendor agrees to indemnify and hold harmless the Village and the Village's officials, officers, employees, volunteers, representatives, attorneys and consultants, in both their official and individual capacities (collectively, the "*Indemnified Parties*") from and against any and all liabilities, including costs and attorney's fees, claims, judgments, expenses, losses, suits, damages, demands, and causes of action arising out of, caused by, connected with, or resulting from the acts or omissions of the Vendor to the fullest extent authorized by law.

D. The Vendor covenants and agrees that no recourse under this Agreement or any claim shall be had individually against the Indemnified Parties, and no liability, right, or claim at law or in equity shall be incurred by the Indemnified Parties. The Vendor expressly understands and agrees that any insurance required under this Agreement by the Vendor, or otherwise provided by the Vendor, shall in no way limit the Vendor's responsibility to indemnify, defend, and hold harmless the Indemnified Parties.

E. All rights, obligations, covenants, promises, and indemnifications herein shall survive the Term of this Agreement and shall remain in full force and effect.

6. **Compensation.** The Vendor shall receive a payment of \$2,000.00 or 30% of the total net sales after Village expenses (payment of alcoholic liquor provided by Distributor), whichever is higher, at the end of the Fest. The Vendor understands and agrees that any failure to comply with this Agreement shall result in the forfeiture of any compensation.

7. **Term.** The Term of this Agreement shall commence on the Effective Date and terminate at 11:59 P.M. on December 31, 2023.

8. **Waiver.** A waiver of any covenant or condition by either Party shall not be construed as a waiver of any subsequent breach.

9. **Construction.** Nothing contained herein nor any acts of the Parties shall be deemed or construed by the Parties hereto, nor by any third party, as creating the relationship of principal and agent or partnership or of a joint venture between the Parties.

10. **Successors.** All rights and liabilities herein given to or imposed upon the Parties shall extend to and bind the successors of the Parties.

11. **Applicable Laws, Severability, and Enforcement of Provisions.** The Vendor shall comply with all applicable laws, ordinances, rules, and regulations of the Village, state and federal government, or agency thereof, that may affect the performance of this Agreement. If any provision of this Agreement is determined by a court not to be enforceable, the Parties agree that it is their intention that such provision should be enforceable to the maximum extent possible under applicable law. If any provision of this Agreement is held to be prohibited or invalid under applicable law, such provision shall be deemed not to be part of this Agreement and shall not invalidate any other provision or this Agreement. This Agreement shall be governed in accordance with the laws of the State of Illinois. Jurisdiction shall be of those courts located within the County of Cook.

12. **Representations and Warranties.** Both Parties represent and warrant that no representation, statement, meaning, or promise, either oral or written, of any kind, by the other Party, not

contained in this Agreement, served in any way to induce them into this Agreement or has in any way been relied upon by them. Both Parties represent and warrant that no statement, representation, promise, or provision requested has been excluded in this Agreement, and if so omitted, that it hereby relinquishes the benefit of any such omission.

13. Assignment, Interpretation and Amendment. This Agreement shall not be assigned. Any purported assignment in violation hereof shall be null and void. All headings are for convenience only and do not modify, define, or limit any provision. Any amendment to this Agreement must be in writing and approved by both Parties.

14. Authority to Act and Counterparts. The persons signing this Agreement warrant that they are duly authorized to execute this Agreement. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Village and the Vendor have caused this Agreement to be executed by their duly authorized representatives as of the day and year first above written.

WHEREAS, the President and the Board of Trustees of the Village of Franklin Park (the "*Corporate Authorities*") have heretofore exercised the power conferred on them pursuant to Division 12 and 15 of Article 11 of the Illinois Municipal Code by adopting Title 10 of the Village Code of Franklin Park, as amended from time to time ("*Subdivision Regulations*"); and

WHEREAS, a subdivision application, ZBA 23-06, has been submitted by David Dickens of Lippy, LLC (the "*Applicant*") requesting approval of the subdivision of property, as attached hereto as Exhibit A (the "*Plat of Subdivision*"), for the property commonly known as 9350-9362 Grand Avenue, Franklin Park, Illinois, and legally described as set forth in the Plat of Subdivision (the "*Property*"); and

WHEREAS, the Zoning Board of Appeals held a public hearing on May 3, 2023, on whether the Plat of Subdivision should be approved, at which time all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law was given of said public hearing date by publication not more than thirty (30) days nor less than fifteen (15) days prior to said public hearing date in the *Chicago Tribune*, a newspaper of general circulation published in this Village;

and

WHEREAS, the Zoning Board of Appeals has filed its findings of fact and recommendations that the Plat of Subdivision be granted, and the Corporate Authorities have duly considered said findings of fact and recommendations; and

Section 4. The Corporate Authorities find and determine that the adoption of the Plat of Subdivision is in the public interest and is in furtherance of the progressive demands of orderly

Village development.

Section 5. The Plat of Subdivision for “*The Dickens Subdivision*,” a copy of which is attached hereto and made a part hereof as Exhibit A, is hereby authorized and approved, subject to the following conditions:

- A) The Applicant shall submit proof of an easement agreement to allow street access across the Property for any adjoining parcel that does not abut a street; and

Honorable Village President
Village of Franklin Park, IL
9500 Belmont Ave
Franklin Park, IL 60131

McConnell & Jones, LLP (“firm,” “we,” “us,” or “our”) is pleased to confirm our understanding of the services we are to provide for the Village of Franklin Park, IL (the “Village”) for the year ended April 30, 2022.

This letter along with the enclosed Addendum for additional terms and conditions (collectively, “Agreement”), confirm our understanding of the terms and conditions of our engagement and the nature and limitations of the services we will provide to the Village. The engagement between the Village and our firm will be governed by the terms of this Agreement.

AUDIT SCOPE

Financial Statement Audit

We will audit the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the Village, as of and for the year ended April 30, 2022, and the related notes and disclosures to the financial statements, which collectively comprise the Village’s basic financial statements.

Accounting standards generally accepted in the United States of America (“US GAAP”) provide for certain required supplementary information (“RSI”) to supplement the Village’s basic financial statements. Such information, although not a part of the Village’s basic financial statements, is required by the Governmental Accounting Standards Board (“GASB”) who considers it to be an essential part of financial reporting for placing the Village’s basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Village’s RSI in accordance with auditing standards generally accepted in the United States of America (“US GAAS”). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with the management’s responses to our inquiries, the Village’s basic financial statements, and other knowledge we obtained during our audit of the Village’s basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. following RSI is required by US GAAP and will be subjected to certain limited procedures but will not be audited.

- 1) Management's Discussion and Analysis
- 2) Budgetary Comparison Schedule – General Corporate Fund
- 3) Budgetary Comparison Schedule – Major Special Revenue Fund
- 4) Schedule of Changes in the net Pension Liability and Related Ratios – Illinois Municipal Retirement Fund Regular Plan
- 5) Schedule of Village Contributions – Illinois Municipal Retirement Fund Regular Plan
- 6) Schedule of Changes in the Village Net Pension Liability and Related Ratios – Illinois Municipal Retirement Fund Sheriff's Law Enforcement Plan (SLEP)
- 7) Schedule of Changes in the Village Net Pension Liability and Related Ratios – Police Pension Fund
- 8) Schedule of Village Contributions – Firefighters' Pension Fund
- 9) Schedule of Changes in the Total OPEB Liability and Related Ratios – No Trust
- 10) Schedule of OPEB Contributions
- 11) Notes to Required Supplemental Information

We have also been engaged to report on the following supplementary information other than RSI that will accompany the Village's basic financial statements. We will subject the other supplementary information, introductory section, and statistical section schedules to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and additional procedures in accordance with U.S. GAAS. We intend to provide an opinion on the other supplementary information in relation to the basic financial statements as a whole. We will not express an opinion or provide any assurance on the introductory section and the statistical section schedules because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Tax Increment Financing (TIF) Special Revenue and Debt Service Funds

We will also audit the 2022 Tax Increment Financing (TIF) special revenue and debt service funds. We will prepare a report on compliance with subsection (q) of section 11-74.4-3 of the Illinois TIF Allocation and Redevelopment Act.

AUDIT OBJECTIVES

The objectives of our audit are to obtain reasonable assurance about whether the Village's financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether the financial statements are fairly presented, in all material respects, in conformity with U.S. GAAP, and to report on the fairness of the supplementary information referred above when considered in relation to the basic financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS AND SINGLE AUDIT

We will conduct our audit in accordance with U.S. GAAS, the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance. Those standards require that we be independent of the Village and its component units, exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the Village's financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Village or to acts by management or employees acting on behalf of the Village. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

McConnell Jones

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We will include tests of accounting records, and other procedures we consider necessary to enable us to express such an opinion. Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement and they may bill you for responding to this inquiry.

Our firm may transmit confidential information that you provided us to third parties in order to facilitate delivering our services to you. For example, such transmissions might include, but not be limited to [identify examples]. We have obtained confidentiality agreements with all our service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have the appropriate procedures in place to prevent the unauthorized release of confidential information to others. We will remain responsible for the work provided by any third-party service providers used under this agreement. By your signature below, you consent to having confidential information transmitted to entities outside the firm. Please feel free to inquire if you would like additional information regarding the transmission of confidential information to entities outside the firm.

In connection with the audit of the Village, we will serve as the group auditor in connection with components of the Village, both terms as defined by U.S. GAAS. During the planning phase of the Village's audit, we will make a decision whether to make reference to component auditors' work in our auditor's report on the Village's financial statements or perform additional audit procedures on the respective components in order to opine on the group

financial statements. Under the capacity as group auditor and with the assistance of Village management, we will request the following from component auditors:

- A copy of the financial statements of the respective components for the most recent audit period in relation to the Village's fiscal year end.
- To advise us of other related parties not included on the list of Village related parties as provided by them and any related party transactions as they become known to the component auditors and of transactions with related parties that differ from any we may describe to them.
- To update their subsequent events procedures from the date of their report on the financial statements of respective components to the expected date of our report on the Village's financial statements and advise us of any subsequent events they identify that may require adjustment to, or disclosure in, the Village's financial statements.

AUDIT PROCEDURES – INTERNAL CONTROL

We will obtain an understanding of the Village and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the Village's financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

AUDIT PROCEDURES - COMPLIANCE

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we will perform tests of the Village's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant

agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

MANAGEMENT'S RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS AND SINGLE AUDIT

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for:

- Designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of the Village's financial statements that are free from material misstatement, whether due to fraud or error, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met.
- Identifying and ensuring that the Village complies with applicable laws, statutes, regulations, rules, provisions of contracts or grant agreements, and the terms and conditions of federal award programs and implementing systems designed to achieve compliance with applicable federal statutes, regulations, and the terms and conditions of federal award programs.
- Implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements and following laws and regulations, ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements, and ensuring that management and financial information is reliable and properly reported.
- Safeguarding assets, maintaining adequate records, selection and application of accounting principles; for the preparation and fair presentation of the financial statements, and all accompanying information in conformity with U.S. GAAP, and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include taking reasonable measures to safeguard protected personally identifiable and other sensitive information, and identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.
- Evaluating whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued, and to provide appropriate disclosure within the financial statements, when applicable, about matters related to going concern and using the going concern basis of accounting unless management is required to prepare the financial statements in accordance with the liquidation basis of accounting.

McConnell Jones

- Making drafts of the financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers).
- Providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements including the disclosures, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Village from whom we determine it necessary to obtain audit evidence.
- Adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.
- The design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Village involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the financial statements.
- Informing us of their knowledge of any allegations of fraud or suspected fraud affecting the Village received in communications from employees, former employees, grantors, regulators, or others.
- The preparation of the other supplementary information which we have been engaged to report on, in conformity with U.S. GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with U.S. GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with U.S. GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.
- Establishing and maintaining a process for tracking the status of audit findings and recommendations, and for identifying and providing report copies of previous financial

McConnell Jones

audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

- Assuming all management responsibilities for the assistance with preparing financial statements, and related notes, and any other non-attest services we provide. Management will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, and related notes, and that management have evaluated the adequacy of our services and have reviewed and approved the results of the services, the financial statements, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.
- Providing us with a written acknowledgement of all the documents that management expects to issue that will be included in the Village's ACFR, the planned timing and method of issuance of ACFR, and a final version of the ACFR (including all the documents that, together, comprise the annual report) in a timely manner prior to the date of the auditor's report.
- Providing us with a letter, at the conclusion of our audit, which confirms certain written representations about the financial statements, compliance with laws, regulations, contracts, and grant agreements, and related matters.

Management agrees to inform the auditor of events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, and that may affect the financial statements.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proof or master for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Regarding electronic dissemination of audited financial statements, including audited financial statements published electronically on your website, you understand that websites are a means of distributing information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the website with the original document.

McConnell Jones

Regarding including the auditor's report in an exempt offering document, you agree that the aforementioned auditor's report, or reference to our firm, will not be included in any such offering document without our prior permission or consent. Any agreement to perform work in connection with an exempt offering document, including an agreement to provide permission or consent, will be a separate engagement.

Regarding an exempt offering document with which we are not involved, you agree to clearly indicate in the exempt offering document that we are not involved with the contents of such offering document.

PROVISION OF OTHER SERVICES

We will assist management in preparing the Village's financial statements, and related notes in conformity with U.S. GAAP based on information provided by management. In addition, we will assist the Village in drafting its State of Illinois Annual Financial Report for its TIF Districts. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. *Government Auditing Standards* also require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

We will perform the above services in accordance with applicable professional standards. The other services are limited to the assistance with preparing financial statements, and related notes previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

We have scheduled this engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in our audit fees over our original fee estimate. Additionally, it may also result in a delay in issuance of our audit report and subsequent filing of the Village's financial statements. Management will be responsible for such delays and consequences.

Mr. Chuck Kozlik is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another qualified firm representative to sign the audit report.

To ensure that our firm's independence is not impaired under the *AICPA Code of Professional Conduct*, management agrees to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

We estimate that our fees for audit and other services will be \$88,000.

Our fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. Our audit fee estimate is typically based on staff resources that were scheduled for this engagement for specific audit timelines as noted above. It is also based on estimated labor hours required to complete the audit work if all client preparations are completed accurately and timely. If circumstances arise that expand the scope of our audit work, or require us to re-schedule our staff resources, or we encounter exceptions that require investigations that may or may not result in exceptions or audit findings, our fee estimate will increase. If this occurs, we will communicate with you regarding our estimated fee increase.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

REPORTING

We will issue written reports upon completion of our audits. Our reports will be addressed to the Honorable President and Members of the Board of Trustees of the Village of Franklin Park, IL.

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be

McConnell Jones

necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

At the conclusion of the engagement, we will also complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, SEFA, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine (9) months after the end of the audit period unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

We will provide copies of our reports to the Village; however, management is responsible for distribution of the reports and the financial statements. If applicable, we will also provide copies of our report for you to include with the reporting package you will submit to pass-through entities. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

Management may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with management the scope of the additional services and the estimated fees. We may also issue a separate engagement letter covering the additional services.

McConnell Jones

Government Auditing Standards require us to provide you with a copy of our most recent external peer review report and any subsequent reports received during the contract period. Accordingly, our latest available peer review report dated June 18, 2021 accompanies this letter.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy, and return it to us.

Very truly yours,

RESPONSE: This letter correctly sets forth the understanding of the Village of Franklin Park, IL.

This addendum, and the accompanying engagement letter, comprise your agreement with McConnell & Jones LLP ("Agreement"). If there is any inconsistency between the engagement letter and this *Terms and Conditions Addendum*, the engagement letter will prevail to the extent of the inconsistency.

For the purposes of this *Terms and Conditions Addendum*, any reference to "Firm," "we," "us," or "our" is a reference to McConnell & Jones LLP, and any reference to "you," or "your" is a reference to the party or parties that have engaged us to provide services. Billing and Payment Terms

We will bill you for our professional fee as indicated in our engagement letter. Payment is due upon receipt. You have thirty (30) days from the invoice date to review the invoice and to communicate to us in writing any disagreement with the charges, after which you waive the right to contest the invoice.

In accordance with our firm policies, the Firm reserves the right to suspend or terminate our work if the Village's account becomes 30 days overdue and will not be resumed until the Village's account is paid in full. In the event that work is discontinued, either temporarily or permanently, as a result of delinquent payment, we shall not be liable for any damages you may incur as a result of the work stoppage. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our audit report. The Village will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Indemnification and Litigation

You agree to indemnify and hold us harmless for any and all liability and all reasonable costs that we may incur as a result of the services performed under this engagement in the event there are false or misleading representations made to us by any member of your management.

You agree that our maximum liability to you for any negligent errors or omissions committed by us in the performance of the engagement will be limited to the amount of our fees for this engagement, except to the extent determined to result from our gross negligence or willful misconduct.

If any dispute, controversy, or claim arises, either party may, upon written notice to the other party, request that the matter be mediated. Such mediation will be conducted by a mediator

McConnell Jones

appointed by and pursuant to the Rules of the American Arbitration Association (AAA) or such other neutral facilitator acceptable to both parties. Both parties will exert their best efforts to discuss with each other in good faith their respective positions in an attempt to finally resolve such dispute or controversy.

If any dispute, controversy, or claim cannot be resolved by mediation, then the dispute, controversy, or claim will be settled by arbitration in accordance with the AAA for the Resolution of Accounting Firm Disputes. No prehearing discovery will be permitted unless specifically authorized by the arbitration panel. The award issued by the arbitration panel may be confirmed in a judgment by any federal or state court of competent jurisdiction. All reasonable costs of both parties, as determined by the arbitrators, including (1) the fees and expenses of the AAA and the arbitrators and (2) the costs, necessary to confirm the award in court, will be borne entirely by the non-prevailing party (to be designated by the arbitration panel in the award) and may not be allocated between the parties by the arbitration panel.

Electronic Data Communication and Storage

In the interest of facilitating our services to you, we may send data over the Internet, temporarily store electronic data via computer software applications hosted remotely on the Internet or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that we have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us. You consent to our use of these electronic devices and applications during this engagement.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing the engagement letter, you affirm that you have all the data and records required to make your books and records complete.

Portals

To enhance our services to you, we will utilize Citrix ShareFile® (the Portal), a collaborative, virtual workspace in a protected, online environment. The Portal permits real-time collaboration across geographic boundaries and time zones and allows the Firm and you to share data and engagement information in a protected environment. You agree that we have no responsibility for the activities of the Portal and agree to indemnify and hold us harmless with respect to any and all claims arising from or related to the operation of Portal.

McConnell Jones

The Portal is utilized solely as a method of transferring data and is not intended for the storage of your information.

If you decide to transmit your confidential information to us in a manner other than a secure portal, you accept responsibility for any and all unauthorized access to your confidential information. If you request that we transmit confidential information to you in a manner other than a secure portal, you agree that we are not responsible for any liability, including but not limited to, (a) any loss or damage of any nature, whether direct or indirect, that may arise as a result of our sending confidential information in a manner other than a secure portal, and (b) any damages arising as a result of any virus being passed on or with, or arising from any alteration of, any email message.

Records Management

Workpapers and other documents created by us are our property and will remain in our control. Copies are not to be distributed without your written request and our prior written consent. Our workpapers will be maintained by us in accordance with our firm's record retention policy and any applicable legal and regulatory requirements.

Our Firm is required to participate in the AICPA Peer Review Program covering our audit and accounting practices. This program requires that once every three years, we subject our system of quality control to an examination by another accounting firm. As part of this process, the other Firm will review a sample of our work. It is possible that the work we perform for you may be selected for its review. If it is, the Firm is bound by professional standards to keep all information confidential.

State, federal, and other regulators may request access to or copies of certain workpapers pursuant to applicable legal or regulatory requirements. If requested, access to such workpapers will be provided under the supervision of firm personnel. Regulators may request copies of selected workpapers to distribute the copies or information contained therein to others, including other governmental agencies.

If we receive a request for copies of selected workpapers, provided that we are not prohibited from doing so by applicable laws or regulations, we agree to inform you of such request as soon as practicable.

If we are not a party to the proceedings in which the information is sought, you agree to reimburse us for our professional time and expenses, as well as the fees and expenses of our legal counsel, incurred in responding to such requests.

Marketing

By signing this engagement letter, you are also agreeing to occasionally receive information from the firm concerning educational events, industry updates, or other information about our people and our services in printed or email form. You will always have the option to no longer

McConnell Jones

receive these communications either by opting out of the email distribution, or by sending us an email indicating a change in preference.

Entire Agreement

The engagement letter, including this Terms and Conditions Addendum and any other attachments, encompasses the entire agreement of the parties and supersedes all previous understandings and agreements between the parties, whether oral or written. Any modification to the terms of this Agreement must be made in writing and signed by both parties. This Agreement has been entered into solely between the Village and McConnell & Jones LLP, and no third-party beneficiaries are created hereby.

Honorable Village President
Village of Franklin Park, IL

McConnell & Jones, LLP (“firm,” “we,” “us,” or “our”) is pleased to confirm our understanding of the services we are to provide for the Village of Franklin Park, IL (the “Village”) for the year ended April 30, 2023.

This letter along with the enclosed Addendum for additional terms and conditions (collectively, “Agreement”), confirm our understanding of the terms and conditions of our engagement and the nature and limitations of the services we will provide to the Village. The engagement between the Village and our firm will be governed by the terms of this Agreement.

AUDIT SCOPE

Financial Statement Audit

We will audit the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the Village, as of and for the year ended April 30, 2023, and the related notes and disclosures to the financial statements, which collectively comprise the Village’s basic financial statements.

Accounting standards generally accepted in the United States of America (“US GAAP”) provide for certain required supplementary information (“RSI”) to supplement the Village’s basic financial statements. Such information, although not a part of the Village’s basic financial statements, is required by the Governmental Accounting Standards Board (“GASB”) who considers it to be an essential part of financial reporting for placing the Village’s basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Village’s RSI in accordance with auditing standards generally accepted in the United States of America (“US GAAS”). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with the management’s responses to our inquiries, the Village’s basic financial statements, and other knowledge we obtained during our audit of the Village’s basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. following RSI is required by US GAAP and will be subjected to certain limited procedures but will not be audited.

- 1) Management's Discussion and Analysis
- 2) Budgetary Comparison Schedule – General Corporate Fund
- 3) Budgetary Comparison Schedule – Major Special Revenue Fund
- 4) Schedule of Changes in the net Pension Liability and Related Ratios – Illinois Municipal Retirement Fund Regular Plan
- 5) Schedule of Village Contributions – Illinois Municipal Retirement Fund Regular Plan
- 6) Schedule of Changes in the Village Net Pension Liability and Related Ratios – Illinois Municipal Retirement Fund Sheriff's Law Enforcement Plan (SLEP)
- 7) Schedule of Changes in the Village Net Pension Liability and Related Ratios – Police Pension Fund
- 8) Schedule of Village Contributions – Firefighters' Pension Fund
- 9) Schedule of Changes in the Total OPEB Liability and Related Ratios – No Trust
- 10) Schedule of OPEB Contributions
- 11) Notes to Required Supplemental Information

We have also been engaged to report on the following supplementary information other than RSI that will accompany the Village's basic financial statements. We will subject the other supplementary information, introductory section, and statistical section schedules to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and additional procedures in accordance with U.S. GAAS. We intend to provide an opinion on the other supplementary information in relation to the basic financial statements as a whole. We will not express an opinion or provide any assurance on the introductory section and the statistical section schedules because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Single Audit in accordance with the Uniform Guidance

We will audit the Village's federal awards as of and for the year ended April 30, 2023.

Tax Increment Financing (TIF) Special Revenue and Debt Service Funds

We will also audit the 2023 Tax Increment Financing (TIF) special revenue and debt service funds. We will prepare a report on compliance with subsection (q) of section 11-74.4-3 of the Illinois TIF Allocation and Redevelopment Act.

McConnell Jones

AUDIT OBJECTIVES

The objectives of our audit are to obtain reasonable assurance about whether the Village's financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether the financial statements are fairly presented, in all material respects, in conformity with U.S. GAAP, and to report on the fairness of the supplementary information referred above when considered in relation to the basic financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS AND SINGLE AUDIT

We will conduct our audit in accordance with U.S. GAAS, the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance. Those standards require that we be independent of the Village and its component units, exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the Village's financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable

McConnell Jones

assurance about whether the financial statements are free of material misstatement, whether from errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Village or to acts by management or employees acting on behalf of the Village. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion. Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement and they may bill you for responding to this inquiry.

Our firm may transmit confidential information that you provided us to third parties in order to facilitate delivering our services to you. For example, such transmissions might include, but not be limited to [identify examples]. We have obtained confidentiality agreements with all our service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have the appropriate procedures in place to prevent the unauthorized release of confidential information to others. We will remain responsible for the work provided by any third-party service providers used under this agreement. By your signature below, you consent to having confidential information

transmitted to entities outside the firm. Please feel free to inquire if you would like additional information regarding the transmission of confidential information to entities outside the firm.

In connection with the audit of the Village, we will serve as the group auditor in connection with components of the Village, both terms as defined by U.S. GAAS. During the planning phase of the Village's audit, we will make a decision whether to make reference to component auditors' work in our auditor's report on the Village's financial statements or perform additional audit procedures on the respective components in order to opine on the group financial statements. Under the capacity as group auditor and with the assistance of Village management, we will request the following from component auditors:

- A copy of the financial statements of the respective components for the most recent audit period in relation to the Village's fiscal year end.
- To advise us of other related parties not included on the list of Village related parties as provided by them and any related party transactions as they become known to the component auditors and of transactions with related parties that differ from any we may describe to them.
- To update their subsequent events procedures from the date of their report on the financial statements of respective components to the expected date of our report on the Village's financial statements and advise us of any subsequent events they identify that may require adjustment to, or disclosure in, the Village's financial statements.

AUDIT PROCEDURES – INTERNAL CONTROL

We will obtain an understanding of the Village and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the Village's financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to

McConnell Jones

each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

AUDIT PROCEDURES - COMPLIANCE

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we will perform tests of the Village's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Village's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the Village's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

MANAGEMENT'S RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS AND SINGLE AUDIT

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for:

- Designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of the Village's financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met.
- Identifying and ensuring that the Village complies with applicable laws, statutes, regulations, rules, provisions of contracts or grant agreements, and the terms and

McConnell Jones

conditions of federal award programs and implementing systems designed to achieve compliance with applicable federal statutes, regulations, and the terms and conditions of federal award programs.

- Implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements and following laws and regulations, ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements, and ensuring that management and financial information is reliable and properly reported.
- Safeguarding assets, maintaining adequate records, selection and application of accounting principles; for the preparation and fair presentation of the financial statements, SEFA, and all accompanying information in conformity with U.S. GAAP, and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include taking reasonable measures to safeguard protected personally identifiable and other sensitive information, and identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.
- Evaluating whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued, and to provide appropriate disclosure within the financial statements, when applicable, about matters related to going concern and using the going concern basis of accounting unless management is required to prepare the financial statements in accordance with the liquidation basis of accounting.
- Making drafts of the financial statements, SEFA, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers).
- Providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements including the disclosures, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to adequately identify the source and application of funds for federally funded activities and perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the Village from whom we determine it necessary to obtain audit evidence.
- Adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected

McConnell Jones

misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

- The design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Village involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the financial statements.
- Informing us of their knowledge of any allegations of fraud or suspected fraud affecting the Village received in communications from employees, former employees, grantors, regulators, or others.
- Taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review before we start our audit fieldwork.
- Identifying, in its accounts, all federal awards received and expended during the period as well as the federal programs under which they were received and for understanding and complying with the compliance requirements and for the preparation of the SEFA (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the SEFA in any document that contains, and indicates that we have reported on, the SEFA. As applicable, management agrees to include the audited financial statements with any presentation of the SEFA that includes our report thereon or make the audited financial statements readily available to intended users of the SEFA no later than the date the SEFA is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the SEFA in accordance with the Uniform Guidance; (2) you believe the SEFA, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the SEFA.
- The preparation of the other supplementary information which we have been engaged to report on, in conformity with U.S. GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have

reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with U.S. GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with U.S. GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

- Establishing and maintaining a process for tracking the status of audit findings and recommendations, and for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.
- Assuming all management responsibilities for the assistance with preparing financial statements, SEFA, and related notes, and any other non-attest services we provide. Management will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the SEFA, and related notes and that management have evaluated the adequacy of our services and have reviewed and approved the results of the services, the financial statements, the SEFA, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.
- Providing us with a written acknowledgement of all the documents that management expects to issue that will be included in the Village's ACFR, the planned timing and method of issuance of ACFR, and a final version of the ACFR (including all the documents that, together, comprise the annual report) in a timely manner prior to the date of the auditor's report.
- Providing us with a letter, at the conclusion of our audit, which confirms certain written representations about the financial statements, SEFA, federal award programs, compliance with laws, regulations, contracts, and grant agreements, and related matters.

McConnell Jones

Management agrees to inform the auditor of events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, and that may affect the financial statements.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proof or master for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Regarding electronic dissemination of audited financial statements, including audited financial statements published electronically on your website, you understand that websites are a means of distributing information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the website with the original document.

Regarding including the auditor's report in an exempt offering document, you agree that the aforementioned auditor's report, or reference to our firm, will not be included in any such offering document without our prior permission or consent. Any agreement to perform work in connection with an exempt offering document, including an agreement to provide permission or consent, will be a separate engagement.

Regarding an exempt offering document with which we are not involved, you agree to clearly indicate in the exempt offering document that we are not involved with the contents of such offering document.

PROVISION OF OTHER SERVICES

We will assist management in preparing the Village's financial statements, schedule of expenditures of federal awards (SEFA), and related notes in conformity with U.S. GAAP and the Uniform Guidance, as applicable, based on information provided by management. In addition, we will assist the Village in drafting its State of Illinois Annual Financial Report for its TIF Districts. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. *Government Auditing Standards* also require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

We will perform the above services in accordance with applicable professional standards. The other services are limited to the assistance with preparing financial statements, SEFA, and related notes previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

ENGAGEMENT, ADMINISTRATION, FEES AND OTHER

We expect to begin our audit activities in September 2023 and issue all our reports by November 30, provided adherence with the following timetable for audit activities and timely receipt of requested audit documents.

Our projected plan for conducting our audit and fieldwork activities is as follows:

| Audit Phase | Audit Timelines | |
|-------------------|-----------------|------------|
| | From | To |
| Preliminary Phase | 9/5/2023 | 9/8/2023 |
| Planning Phase | 9/11/2023 | 9/15/2023 |
| Fieldwork Phase | 9/18/2023 | 11/10/2023 |
| Wrap-up Phase | 11/13/2023 | 11/24/2023 |
| Reporting Phase | 11/27/2023 | 11/30/2023 |

We have scheduled this engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in our audit fees over our original fee estimate. Additionally, it may also result in a delay in issuance of our audit report and subsequent filing of the Village's financial statements. Management will be responsible for such delays and consequences.

Mr. Chuck Kozlik is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another qualified firm representative to sign the audit report.

To ensure that our firm's independence is not impaired under the AICPA *Code of Professional Conduct*, management agrees to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

We estimate that our fees for audit and other services will be \$98,000.

Our fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. Our audit fee estimate is typically based on staff resources that were scheduled for this engagement for specific audit timelines as noted above. It is also based on estimated labor hours required to complete the audit work if all client preparations are completed accurately and timely. If circumstances arise that expand the scope of our audit work, or require us to re-schedule our

McConnell Jones

staff resources, or we encounter exceptions that require investigations that may or may not result in exceptions or audit findings, our fee estimate will increase. If this occurs, we will communicate with you regarding our estimated fee increase.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

REPORTING

We will issue written reports upon completion of our audits. Our reports will be addressed to the Honorable President and Members of the Board of Trustees of the Village of Franklin Park, IL.

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

At the conclusion of the engagement, we will also complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, SEFA, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package

McConnell Jones

must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine (9) months after the end of the audit period unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

We will provide copies of our reports to the Village; however, management is responsible for distribution of the reports and the financial statements. If applicable, we will also provide copies of our report for you to include with the reporting package you will submit to pass-through entities. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

Management may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with management the scope of the additional services and the estimated fees. We may also issue a separate engagement letter covering the additional services.

Government Auditing Standards require us to provide you with a copy of our most recent external peer review report and any subsequent reports received during the contract period. Accordingly, our latest available peer review report dated June 18, 2021 accompanies this letter.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy, and return it to us.

Very truly yours,

RESPONSE: This letter correctly sets forth the understanding of the Village of Franklin Park, IL.

In accordance with our firm policies, the Firm reserves the right to suspend or terminate our work if the Village's account becomes 30 days overdue and will not be resumed until the Village's account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our audit report. The Village will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

If any dispute, controversy, or claim arises, either party may, upon written notice to the other party, request that the matter be mediated. Such mediation will be conducted by a mediator

McConnell Jones

appointed by and pursuant to the Rules of the American Arbitration Association (AAA) or such other neutral facilitator acceptable to both parties. Both parties will exert their best efforts to discuss with each other in good faith their respective positions in an attempt to finally resolve such dispute or controversy.

If any dispute, controversy, or claim cannot be resolved by mediation, then the dispute, controversy, or claim will be settled by arbitration in accordance with the AAA for the Resolution of Accounting Firm Disputes. No prehearing discovery will be permitted unless specifically authorized by the arbitration panel. The award issued by the arbitration panel may be confirmed in a judgment by any federal or state court of competent jurisdiction. All reasonable costs of both parties, as determined by the arbitrators, including (1) the fees and expenses of the AAA and the arbitrators and (2) the costs, necessary to confirm the award in court, will be borne entirely by the non-prevailing party (to be designated by the arbitration panel in the award) and may not be allocated between the parties by the arbitration panel.

In the interest of facilitating our services to you, we may send data over the Internet, temporarily store electronic data via computer software applications hosted remotely on the Internet or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that we have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us. To enhance our services to you, we will utilize Citrix ShareFile® (the Portal), a collaborative, virtual workspace in a protected, online environment. If you request that we transmit confidential information to you in a manner other than a secure portal, you agree that we are not responsible for any liability, including but not limited to, (a) any loss or damage of any nature, whether direct or indirect, that may arise as a result of our sending confidential information in a manner other than a secure portal, and (b) any damages arising as a result of any virus being passed on or with, or arising from any alteration of, any email message.

Our workpapers will be maintained by us in accordance with our firm's record retention policy and any applicable legal and regulatory requirements.

Our Firm is required to participate in the AICPA Peer Review Program covering our audit and accounting practices. This program requires that once every three years, we subject our system of quality control to an examination by another accounting firm. As part of this process, the other Firm will review a sample of our work. It is possible that the work we perform for you may be selected for its review. If it is, the Firm is bound by professional standards to keep all information confidential.

receive these communications either by opting out of the email distribution, or by sending us an email indicating a change in preference.

Entire Agreement

The engagement letter, including this Terms and Conditions Addendum and any other attachments, encompasses the entire agreement of the parties and supersedes all previous understandings and agreements between the parties, whether oral or written.
