Section 9-2-9 entitled "Accessory Buildings" of Chapter 2 entitled "General Zoning Regulations" of Title 9 entitled "Zoning" of the Village Code of the Village of Franklin Park as amended is hereby further amended by adding thereto Section 9-2-8(F) entitled

"Storage Containers" to read as follows:

"9-2-8(F)(1) Storage Containers: Storage containers may be allowed as a permitted or conditional use in ( C-1 ) ( C-2 ) ( C-3 ) ( C-M ) ( I-1 ) and ( I-2 ) zoning districts. Storage containers that may be allowed as permitted or conditional uses:

- a) shall not exceed two hundred square feet in dimension;
- b) shall not be stacked;
- c) shall not be supplied with or connected to water, sewer, gas or electric service;
- d) all storage containers authorized as a permitted or conditional use shall be located on paved surfaces in side yards or rear yards, and shall conform to all bulk requirements and yard setback requirements of the zoning district in which they are located;
- e) shall not be located in any parking area or parking lot;
- f) shall not be placed on any zoning lot until a list of the types of goods or materials stored in the storage container has been delivered to the Village fire inspector; a new list shall be provided to the Village fire inspector prior to a change in the type of goods or materials stored;
- g) shall not contain any toxic or hazardous material. For purposes of this subsection (g), toxic or hazardous material shall be defined as: any substance, solution or mixture which, because of its quality, quantity, concentration, physical, chemical or infectious characteristics, or any combination of the foregoing, presents or may present an actual or potential hazard to human health if discharged onto the land or into water. Toxic or hazardous materials shall include, but not be limited to, each and every substance listed in either or both Part 116 or 261, Title 40 of the Code of Federal Regulations. Toxic or hazardous materials shall also include acids and alkalis beyond the pH range of 4 to 10, heavy metal sludges, mixtures and solutions in excess of standards, petroleum products, including fuels and waste oils, organic solvents, including petroleum solvents halogenated and nonhalogenated hydrocarbons. Any substance not currently included nonhalogenated hydrocarbons. Any
