GRANTS FOR MANUFACTURERS
TO REBOUND AND REINVENT

NOW
ACCEPTING
APPLICATIONS

Get Equipped to Prosper.

Cook County Manufacturing Reinvented will not only help businesses recover, but also spur innovation for the post-pandemic economy.

Over 20 project choices are available for awarded companies and eligible expenses will be reimbursed up to \$25,000 from **Cook County Manufacturing Reinvented**.

Cook County and IMEC developed this program in response to the expressed priority needs to ensure post pandemic resiliency of over 1000 suburban Cook manufacturers

To qualify, manufacturers must apply the grant to a location within suburban Cook County and have less than 500 employees.
