Effective Date: J u n e 19, 2014

Dear Vendor:

The following clarifications, revisions, and changes have been made to Request for Proposal No. Metro Ethernet Network, Internet and PRIs Services:

This amendment requires acknowledgement, please submit the attached acknowledgement page with your proposal submission.

**Clarifications and question responses:**

Question: Can you clarify the two internet connections? In the RFP, you ask for a 20Mbps at the Police Station and a 5Mbps at Fire Station 2 in the requirements, but ask for a 50Mbps at the Police Station and a 20Mbps at Fire Station 2 in the Introduction and appendix A.

Answer: Submit two proposal one with pricing for a 20 Mbps internet connection at the Police station and a 5 Mbps internet connection at Fire station 2. Proposal number two should have pricing for a 50 Mbps internet connection at the Police station and a 20 Mbps internet connection at Fire Station 2.

All other terms and conditions remain the same.

Sincerely,

The Village of Franklin Park

Vernel Miller  
IT Department Manager
