

# TNR

## Workshop Schedule 2014

### Help the Cats and the Community

Cats need our help. Not their fault they're out there. They need food, water and shelter. To prevent the growth of the colony and help maintain the health of the colony, they need to be TNR'd.

Cats are healthier, the colony doesn't grow, nuisance behaviors like spraying, howling, fighting cease.

IN COOK COUNTY, IF YOU BECOME A REGISTERED CARETAKER, one of the perks is, NO MORE CITATIONS!

*Learn how cat feeders, and the community, are protected by the Cook County's 'Management of Feral Cat Ordinance'.*
