

How to Report Excessive Train Horn Sounding

Excessive train horn sounding has become such an important issue for our Village that Mayor Pedersen recently traveled to Washington DC to speak personally regarding this to Joseph Szabo, the Federal Railroad Administrator. Mr. Szabo encouraged our residents to go straight to the Federal Railroad Administration Alleged Violation Reporting Form and report the violation online at: www.fra.dot.gov/app/violationreport

When you get to the part of the form that asks "Type of Alleged Violation", the drop down arrow will give you several options. Click on the option for "Train Horns." Please complete the time, date and location and then explain that you are reporting excessive train horn sounding that was either too loud, too long, or both.

Please continue to inform the Village about your experiences with train horns as we will be following up with the Federal Railroad Administrator to ensure that this issue is addressed.

Thank you for taking time to complete the Alleged Violation Reporting form.
